Technical Aptitudes

Programming: Basic proficiency in Python and Java

Web Development: Basic understanding of HTML, CSS, JavaScript, Node.js and Express.js

Database Management: Familiarity with MySQL and MongoDB

Data Science Packages: Proficient in Pandas, NumPy, Scikit-learn, Matplotlib

Toolbox: Git, Power-Bi

Projects

Data Analysis on Tsunami Dataset

[PowerBI](#) [Python](#)

Analyzed historical tsunami data to identify patterns and trends using Python libraries like Pandas and Matplotlib. Developed visualizations and predictive models to aid in disaster preparedness and risk mitigation. Utilized Power BI to create interactive dashboards for better data visualization and insight. Conducted extensive testing and forecasting using techniques like exponential smoothing and SARIMA to predict future tsunami risks and improve disaster response strategies.

Pride Deal Trading & Contracting Website

[Link](#)

Created a professional, mobile-friendly website utilizing HTML, CSS, and JavaScript. The website showcases the company's profile, project portfolio, and includes a contact form integrated with Formspree for easy email handling. The site is designed to provide an intuitive user experience, with a clean and modern layout that highlights the company's services and achievements. Implemented responsive design to ensure the site looks and functions well on various devices.

Work Experience

FIFA World Cup 2022 | SPECIAL EVENTS | Nov 2022 – Dec 2022

Volunteering at the FIFA World Cup 2022 was unforgettable. It boosted my teamwork and adaptability while reinforcing the importance of collective effort. Contributing to this iconic event was a privilege, and I cherish the memories and connections made.

Additional Experience: Taught various subjects to individuals, enhancing my communication and teaching skills, Worked as a Data Management Administrator

About Me

Motivated Data Science and Artificial Intelligence student with a strong foundation in programming, data analysis, and web development. Eager to apply technical skills in a professional environment to drive business success and innovation. Proven ability to work effectively in team settings and manage diverse tasks efficiently.

Education

University of Doha for Science and Technology | Doha, Qatar | 2022 - present

Bachelor of Applied Science in Data Science and Artificial Intelligence

Languages: English, Tamil, Malayalam, Hindi
